'A home away
from home.'

Mid-term Breaks and School Holidays

A Term Date schedule for the academic year will be provided prior to commencement—updates and future dates will be available on Schoolbox. The Boarding House closes during mid-term breaks and school holidays; therefore, your son will need to stay with his Local Carer at these times, if he is not returning home.

The Local Carer must be appointed for the duration of the student's course, and details must be confirmed at the beginning of each academic year, or at any time the Local Carer becomes unavailable.

10

WESLEY COLLEGE UNIFORM FITTING

The Enrolments Office will organise an appointment for a full fitting at the time of orientation. The full Wesley uniform will cost approximately \$1,500.

11

ORIENTATION

To ensure our new families are familiar with the Wesley campus and its programs, an orientation day is held for new students entering the College. This provides new students with a chance to meet their peers in a fun, relaxed setting. For boarding students, orientation also includes a Boarding House orientation weekend. This provides an opportunity for both the parents and Local Carers of international students to meet Boarding House staff, and to become familiar with the policies and routines of the Boarding House.

If a student starts mid-year, the Enrolments Office will facilitate a less formal orientation whilst ensuring the parents, the Local Carer and the student meet all key personnel responsible for the student and his or her well-being.

School Involvement.

A quality education demands a balance between every aspect of school life.

The diverse co-curricular programs at Wesley College not only complement and broaden the day-to-day curriculum but also offer further opportunity for skills development, creative expression, innovation and teamwork.

Compulsory Sport

Students at Wesley are expected to participate in co-curricular sporting activities. From Years 7 to 12, boys attend sports training two days a week, either before or after school. During Years 7, 8 and 9, boys compete in
